

We Are Affinity Esports and we are on a mission to create safe spaces for happier and healthier gaming experiences.

Through our recreational programs, your children are introduced to the world of esports, full of new and emerging career paths, experiential learning, and highly engaging social activities. Each of these programs has been structured to reinforce critical life skills, such as teamwork, communication, and problem solving. Through their time with us, we will guide your children to build healthy habits and harness their passion with an extreme commitment to balancing wellness, education, mentality, competition, and socialization. Esports have been linked to powerful outcomes, such as improved social and emotional skills, problem solving, future career viability, and academic performance.

Testimonials

“Great program - I am so pleasantly surprised. They teach kids how to game healthfully (ie. importance of taking frequent breaks, good sportsmanship, teamwork).” - Desiree (Parent)

“This format is a great concept for kids who like to game. The owner has created a positive and fun atmosphere for students to learn and practice strategy as well as teamwork. We will be back for more!” - Corina (Parent)

“I really enjoyed the camp. Thank you for teaching me about a game I did not know how to play. Everyone here is friendly and nice. Thanks for the great time.” - Trace (Participant/Child)

Content Creation (Live Streaming) (Ages 7-17) - July 8 to July 12

This course is crafted for young enthusiasts eager to master live streaming on Twitch, YouTube Live, and TikTok, focusing on developing a dynamic on-camera presence and engaging content creation. It offers a deep dive into live broadcast essentials, from setting up the right equipment to understanding streaming platforms and optimizing live performance techniques. Emphasizing real-time audience engagement and personal charisma, the program steers away from post-production to concentrate on the essentials of captivating live streaming. Participants will gain practical skills in lighting, audio, and effective communication, preparing them to confidently create and share their gaming and creative passions live. This streamlined course equips aspiring creators with the knowledge to shine in the digital landscape, making it an ideal launchpad for those looking to become standout live content creators.

Monday through Friday 9am-3pm July 8th to July 12th (30 hours over 5 classes), Min: 5 Max: 20

Valorant Camp (Ages 10-17) - July 22 to July 26

Have your child join us for Valorant Camp, where they will have the opportunity to learn about how this game fits into the booming esports industry, while focusing on a skill of the day (such as character, teamwork, communication, problem solving, or leadership) and how to apply that skill within the game itself and also in life. We will work with players of all skill levels to improve their mechanics, but also how to read the game and understand what is going on. They will be placed within a team where they will learn to grow, strategize, and function cohesively in a competitive environment, learning both from their wins and losses. Valorant is a colorful 5v5 team-based action game starring a twist of characters with supernatural powers (developed by Riot Games). Everyone's got equipment and a unique set of abilities creating endless scenarios and strategies. The game consists of 12 rounds on the attacking and defending side each. First to 13 wins.

Monday through Friday 9am-3pm July 22nd to July 26th (30 hours over 5 classes), Min: 5 Max: 15

Rocket League for Beginners (Ages 7-15) - August 5 to August 9

Have your child join us for Rocket League Camp, where they will have the opportunity to learn about how this game fits into the booming esports industry, while focusing on a skill of the day (such as character, teamwork, communication, problem solving, or leadership) and how to apply that skill within the game itself and also in life. We will take all skill levels, from beginner to advanced, and work with each individual and the collective to improve their mechanics, game sense, and overall performance. They will be placed within a team where they will learn to grow, strategize, and function cohesively in a competitive environment, learning both from their wins and losses. Rocket League is a 3v3 fantastical sport-based game, developed by Psyonix (it's soccer with cars). It features a competitive game mode based on teamwork and outmaneuvering opponents. Players work with their team to advance the ball down the field, and score goals in their opponents' net.

Monday through Friday 9am-3pm August 5th to August 9th (30 hours over 5 classes), Min: 5 Max: 15

Game Creation & Coding Fundamentals (Ages 7-15) - August 12 to August 16

Encourage your child to join us for Game Creation, Modding, and Coding. This class will require them to problem-solve, be creative, think critically, and hone basic computer skills to achieve their game creation goals. They will start by learning code basics through Scratch, the world's largest coding community and visual coding language for children, to create their own games. They will also have the opportunity to practice coding through a variety of fun challenges and coding courses in Minecraft Education Edition and Roblox. As they progress through the class, kids will have the chance to socialize and collaborate with each other on improvements and showcase their progress to their parents daily.

Monday through Friday 9am-3pm August 19th to August 23rd (30 hours over 5 classes), Min: 5 Max: 20
